Born: Thursday, April 12, 1984

Died: Tuesday, September 21, 2021

Ralph David Mills, 37, of Winchester, Indiana passed away unexpectedly Tuesday, September 21, 2021.

Ralph, better known as Dave, was born at Ball Memorial Hospital, Muncie, IN on April 12, 1984 to Ralph Douglas Mills and Melissa Hawley Byers. He attended Winchester Community High School and was currently employed at Progress Manufacturing. Dave most enjoyed music of all genres, with a secretive favorite being Verbena. In high school he played lead guitar with some of his closest friends; although his best friend, according to Dave, was his dog, Mya. He was genuinely a kind-hearted person with a quick-witted sense of humor that could make anyone love him. Dave preferred life experiences and time spent with family and friends over material items. Some of his favorite hobbies were woodworking and painting, and he completed each task with an abundance of pride.
